<b>Description</b>		

**An Agricultural and Physiographical Description of Louisiana**

This section contains a detailed text description of Louisiana's agriculture and geography. It covers various aspects of the state's natural resources, climate, and agricultural products. The text is organized into several columns and includes sub-sections such as "THE FARMERS OF LOUISIANA" and "AGRICULTURE AND IMMIGRATION".

Published by The Louisiana State Board of Agriculture and Immigration, Hon. E. O. Bruner, Commissioner, Eugene Jastremski, Secretary.
